Sāmārā Booking Form

We understand the special nature of each event and therefore each show can be custom tailored to the preferences of each client. Dance styles, music, costumes, and props are selected to accommodate the style and nature of your special event.

Please be advised that performers do not perform at all-male events, which includes bachelor parties, or events with a male guest of honour.

Performance Styles: Shows can be performed as a solo or group performance.

- [Classic Bellydance](#)
- [Bellydance Fusion](#)
- [Variety Shows](#)

Duration of Performance: Shows can be anywhere from 5-30 minutes. Shows can also be split up into sets (e.g. two 10 minute shows). Please note that the latter option is at an additional cost.

Music: Appropriate sound system and DJ to play CD is required by the client. Performer(s) can provide music via ipod/iphone; however docking station or cable must be provided by the client. Performers do not travel with stereo. Live music can also be requested by the client. Simply add your request in the [booking form](#).

Dance Space: We ask that the dance floor be clean, dry and free of any debris to provide a safe environment for our dancer(s). Should you wish to have the dancer(s) use the candelabra, it is the client's responsibility to please check with the venue regarding fire regulations. Please specify if outdoors.

Costumes: Any specific colour(s) the client would like the performer to wear, or abstain from, can be requested.

Props: Props such as a [sword](#), [candelabra](#), [veil](#), double veils, [veil fans](#), [Zylls \(Finger Cymbals\)](#), or a cane can be requested. Please note that the use of some props are at an additional cost.

Change Room: Performers require a private and safe place for costume changes and storage of their belongings. We kindly ask that this not include public bathrooms. Public bathrooms can not only interrupt the surprise element, but performers' costumes and belongings can take up space from ladies who actually need to use the facilities.

Deposit: A deposit of \$50/dancer is required to confirm the booking. Paid deposits will be deducted from the total amount due the day of the performance.

Performance Pricing: Pricing is based on a variety of factors - length of performance, number of dancers, props required, venue location, etc. To get a quote, please contact Samara, providing details of your event and requested performance will help determine pricing.

Delays: Our dancers can often have multiple performances at various locations in one evening; therefore we kindly ask that all performances commence as close to the scheduled time as possible. If a performance start time is delayed over 30 minutes, a \$50 fee will be incurred, plus an additional \$50 for every additional delayed 30 minute increment thereafter. Furthermore, to ensure our dancers are on time for all scheduled performances in a night, if a performance start time is delayed over 30 minutes, our dancers are permitted to leave the event *with* the initial pay.
